The Knysna Oyster Festival is around the corner! Escape the hustle and bustle of the crowd and enjoy the season's festivities from your own tranquil kingdom (just a stone's throw away in the sleepy village of Sedgefield). In the spirit of fine wining and dining, we're putting on a five star spread for your pleasure.

This is your invitation to join us at Simbavati Fynbos on Sea, a Garden Route eco-paradise perched above the ocean, lagoon and mountains in a natural fynbos reserve. This is the place to either relax or explore - with a host of activities on offer.

Simbavati Lodge Collection is bringing its 'Gourmet Winter Weekend' to the Garden Route after a popular run in the Cederberg. If you have a passion for gastronomy and an appreciation of first-class spoils delivered by a team who live and love to be of service, this is the experience for you.
