IS OUR PROMISE

SAMPLE • TASTE • SAVOUR • DISCOVER • APPRECIATE • REMEMBER • ENJOY

A quick weekend away from time to time should be prescribed. Why not give yourself the gift of two nights in the rugged mountains and undulating hills of the Cederberg, just 2.5 hours' drive from Cape Town? Escape the winter rain. We've got sunshine to share, and have set aside some time for you for a natural (and decadent) reset.

This is your invitation to join us at Simbavati Cederberg Ridge, a luxurious wilderness lodge overlooking the Cederberg Mountains. This is the place to either relax or explore - on foot, mountain bike or guided tour.

Back by popular demand, we bring you our **Gourmet Winter Weekends**. If you have a passion for gastronomy and an appreciation of first-class spoils delivered by a team who live and love to be of service, this is the experience for you.
